

Goddess Roxy Rancher

The meanings behind the rocks

Crystals are a powerful way to connect to the Divine and have incredible healing properties.

Crystals have many uses they can generate, store, regulate, transmit, and absorb energy. They attract and repel. Putting out “good vibes” they harmonize the atmosphere of your body; taking in energy, they cleanse the environment and your aura. (Information courtesy of “*The Crystal Users Handbook*” by Judy Hall)

Agate Natural: a grounding stone that improves perception and analytical qualities. Balances the yin and yang, and harmonizes physical, emotional, mental and etheric qualities. Soothing and calming. Raises consciousness and builds self-confidence. Stabilizes aura, eliminates negativity, and overcomes bitterness of the heart and inner anger. Fosters love, truthfulness, and courage. Excellent for meditation! (Chakras: base, throat)

Pink lace agate: a stone that helps with attitude; easing despair and depression, encourages and supports. It increases friendship and happiness by helping you balance your attitude.

Agate Blue: calms, cools, lifts thoughts, and takes spiritual inspirations to high vibrations.

Agate Green: enhances mental and emotional flexibilities, improves decision-making, and resolves disputes.

Black Agate brings the Great Spirit into one’s life. It attracts good fortune, increases concentration and clarity, and promotes good will. The stone aids in overcoming flaws, fears, and loneliness. It removes jinxes and helps eliminate bad luck. It also has a calming effect during times of stress. It can give a sense of strength and courage and encourages fertility. It is a powerful healer and is especially beneficial for bone marrow and allergies.

Amazonite: The bluish green colour aligns electrical and mental bodies. It invigorates all meridians, attracts money, assures success, and brings joy. It helps soothe the nervous system and broadens the thinking process.

Amethyst: This is a powerful mental healer, controller of your mind, protector, enhances psychic abilities and spiritual awareness. It clears, dispels, and transmutes negative energy. Always place near front entrance in the home or business. Calms the mind, enhances meditation and visualization. It disperses psychic attack, ameliorates anger, fear, rage, and resentment, and aids in the simulation of new ideas. It connects cause and effect, promotes selflessness, relieves physical and emotional pain, and boosts production of hormones. It
